Sarnia, ON – August, 2010 – **MAPLE BLUES AWARD WINNER COMING SOON** You don't need to *have* the blues to *catch* the blues at Sarnia Organ Donor's Awareness (S.O.D.A.)'s seventh annual **Jazz & Blues in the Village** this coming September 17th and 18th.

Jazz & Blues in the Village is proud to present award-winning performers and David Rotundo is no exception. Toronto blues harpist David Rotundo bought his first harmonica after seeing James Cotton perform in 1991. Since then, David has been nominated several times for the Maple Blues Awards "Harmonica Player of the Year" and in 2007 took home top honours. In 2001, the David Rotundo Band was formed and since then they have been making a living playing original music worldwide. Their 4th CD "No Looking Back" was released in March 2009 to an overwhelming response from fans both new and old. The success of their latest CD is propelling this band into new dimensions and high demand.

The David Rotundo Band's renowned live experience never lets the audience down. If you're a fan of the blues harmonica, this is the experience you've been waiting for.

Dave Rotundo Band follows crowd-loving Lit'l Chicago on Saturday, September 18th. Tickets \$20.00 for Saturday Evening Blues. Gates open at 6:30 pm.

The complete line-up includes: Friday Evening Blues with One Bald Tire and Julian Fauth; Saturday Afternoon Jazz with Dominant Seven Jazz Band, Dave Bennett's "Tribute to Benny Goodman"; and Dave Reddoch & the Johnny Bond Quartet; Saturday Evening Blues with Lit'l Chicago and David Rotundo Band.
